(8) Grant of land to Rashtriya Shikshana Samithi, Bangalore for construction of a Teachers'College.

---

28) I inspected the plot of land proposed to be granted to Rashtreeya Sikshana Samithi, for the construction of a Teachers' College, with the Chairman, Trust Board, the Engineer Officer of the Trust Board and the Government Architect, on 16th February 1955. Sris.K.C.Ramaiah, P.Shivasankar, M.C.Shivananda Sharma, N.Rudriah and Dr.M.Siddalingaiya members of the Samthi were present.

29) The Teachers' College, Bangalore, is at present accomodated in Rashtreeya Vidyalaya building. Besides the College, a nursery school, a primary school, a middle school and a High School are also housed in that building. The accommodation is cramped and the need for a separate building for the Teachers' College is keenly felt. The Samithi has drawn up an ambitious Scheme of Rs.9 lakhs worth Building Project for the College, consisting of a College building with provision for Research Section, Psychological Laboratory, Library, Professors Quarters College Hostel, etc., It is gratifying to note that Dharmaprakasha Sri K.C.Ramiah and a few other philanthropic gentlemen have come forward with promises of liberal donations to meet the demands of the College. The Samithi has been urging for some time past for a spacious site for the Teachers' College in the near vicinity of the Rashtreeya Vidyalaya. The Samithi has finally selected the plot of land on the right side of the road near Kanakanapalya at the junction of the Rashtreeya Vidyalaya Main Road and the road leading to Rajaji Circle, Jayanagar Extension, which has now granted out to them for a playground on lease basis for a period of ten years. This site is nearly quadrilateral in shape measuring (92 plus 210) x 420 Sq. Feet. The City Improvement Trust Board, Bangalore has recommended the grant of this site to the Samithi on a long lease of 99 years on a rental of Rs.10/- only per annum for the purpose of constructing a Teachers' College subject to certain conditions. The Samithi has undertaken to start the construction of the

College building within a month after handing over of the site by the City Improvement Trust Board to the Samithi and to complete the construction of at least the ground floor within six months from that date.

5904

30) The resolution of the Trust Board to grant the site to the Samithi on lease basis is approved subject to the conditions specified in the resolution as also to a further condition that if the terms of the lease are complied with, the site after expiry of the period of lease, viz., 99 years shall vest absolutely in the Samithi.

31) The Samithi has represented that the site proposed to be granted to them is inadequate for the Teachers' College and has requested that the adjoining land to the south up to the proposed road may also be granted to the Samithi. The request of the Samithi is reasonable. This is an unconverted agricultural land owned by Dr.B.G.Acharya. It was ascertained at the time of inspection that Dr.Acharya intends laying it out into house building sites and that his layout scheme is under the consideration of the Trust Board. While approving the scheme, the Trust Board may see that no sites are allowed to be formed on the open space to the south of the site up to the proposed road. The Trust Board may also take action to institute acquisition proceedings in respect of the said land.

To:

The Hon'ble Minister for Local Self-Government,
Government of Mysore,
B A N G A L O R E.

Sir,

Subject: Praying for a free gift of land of the extent of about ten acres in Jayanagar Extension for the campus of the Teachers' College in Bangalore.

You are aware that the Managing Committee has taken the momentous step of starting a Teachers' College in Bangalore.

L.S.G. Secy.
A date may be fixed with the Chairman, Trust Board, Bangalore to inspect the area at the earliest date.
17/8/54
Sir MA 18/8

We need not stress the importance of the step. The Reforms Committee appointed by the Government of Mysore were unanimously of the opinion that a Teachers' College be started in Bangalore with a provision for training a hundred teachers. We want to bring to your kind notice the fact that the success of the Educational Reforms - about which our popular Ministry in Mysore is so rightly enthusiastic - entirely depends upon the trained personnel of the Schools. Thus we feel proud we have helped the Government in our own small way, to make the Reforms a success. There is another point we wish to stress, Bangalore is fast becoming a very important City in South India. A Teachers' College in Bangalore must correspond in some way to the important place Bangalore occupies in All India set-up. We visualise that the Teachers' College at Bangalore must occupy the same place that Columbia University occupies in

American Educational world.

The Teachers' College, Bangalore, is at present accommodated in Rashtreeya Vidyalaya Building. The building, a magnificient one, has a Nursery School, a Primary School, a Middle School, and a High School under its roof. It is packed with students from morning to evening. The Rashtreeya Vidyalaya Teachers' College, therefore, must think and think early of a habitation for its own purposes. We would like to invite your kind attention to the fact that it is, an account of cramped accommodation, we had to refuse admission to about a hundred applicants.

Therefore, Sir, we request an extensive site may be granted very early,- extensive for the following purposes:-

(i) Lecture Hall.

(ii) Practising High and Middle Schools.

(iii) Psychology Laboratory.

(iv) A commodious Hall for Library.

(v) A big Hall for Union activities.

(vi) Hostel buildings.

(vii) Rooms for the specialised work in Syllabus, Text-books, examinations etc.

(viii) Play Ground.

(ix) Quarters for the Principal, Professors and Lecturers and other Staff members.

It is our experience that, suitably situated and ably staffed and equipped Teachers' College will attract larger numbers of applicants than the present ones. In the near future, we feel, provision may have to be made for admitting 150 students for the B.Ed. course and 150 students for the H.T.C. There is nothing uncommon when we remind ourselves that Columbia University

has under its roofs about 15000 students for training in a year.

Hence, we request you to grant us, free of cost, a site in Jayanagar Extension which is rapidly filling-up, a site measuring about ten acres. This will allow room for our plans of future expansion.

Thanking you,

Yours faithfully,

Dear Sri. Channaiah,

Permit me to thank you very sincerely for your having a great interest and enthusiasm in respect of our Teachers' College. We are indebted to you immensely for the troubles you took in having gone to the Jayanagar to show us the site, the other day. The very same site which you suggested - the one near Banashankari Temple, measuring about 6 acres, - has been to the entire satisfaction of all the members of the College Committee. While bringing this to your kind information, I request you kindly to take early action to sanction the site, free of cost, for the said College, so that we can make arrangements to lay the FOUNDATION STONE and start building work early.

Once again, thanking you for your goodness.

Dear Sri. Channaiah,

You were gracious enough to visit Jayanagar Extension in September last, accompanied by the then Chairman of the City Improvement Trust Board, Sri. R. Madhavan, and several members of the Rashtreeya Vidyalaya Teachers' College Committee with a view to selecting a suitable site for the construction of Rashtreeya Vidyalaya Teachers' College Building and were also kind enough to suggest two sites, one near Banashankari Temple and the other near the Hillock. In accordance with your kind suggestion we made an appeal to the City Improvement Trust Board for the sanction of the site near Banashankari, measuring about 6 acres, free of cost, but I am very much pained to inform you that the Board has not considered our request favourably, stating that, "the grant of a plot of land .... cannot be conceded, since the Board will incur a loss of Rs. 1,49,872/- by such a grant". This is indeed a very disappointing development for us.

GOVERNMENT OF MYSORE

You are well aware of our efforts to obtain a generous grant from the Central Government under the First Five Year Plan for the construction of the College Building, and with the philanthropic public, many of whom have come forward with promises of generous donations for the building. It is therefore a most disappointing development, at this juncture, that the Trust Board should have refrained from granting us the plot. There are many instances, as you are aware, of the Board's sanctioning sites, as free gifts, to the Educational Institutions, who do the work of the Government, such as Vijaya College and Mysore Riyasat Hindi Prachar Samithi, in Jayanagar extension. These sites being very good and spacious sites cost lakhs of rupees. It is possible to quote many similar examples. You will appreciate the fact that Rashtreeya Sikshana Samithi, too, is doing after all the work of the Government itself and that these appeals for funds, site etc are only for an Educational Institution and not for any personal or individual favour.

Contd. page 2.

I request the Government to consider these aspects and to grant us the site prayed for, for which kindest act we remain grateful to you. A copy of the letter addressed to the Hon'ble Chief Minister in this behalf, and a copy of the letter from the City Improvement Trust Board have been enclosed herein for your kind information.

Thanking you,

With kind regards,

Yours sincerely,

The Chief Minister,
Government of Mysore,
BANGALORE.

Sir,

Subject: Grant of a suitable site for construction of Rashtreeya Vidyalaya Teachers' College Building, free of cost.

I request you to permit me to bring the following to your kind notice in reference to the above subject.

We have made several representations to you regarding the Rashtreeya Vidyalaya Teachers' College, run under the auspices of RashtreeyaSikshana Samithi. The good start you gave us in inaugurating the College, in June '54, has indeed resulted in the very satisfactory progress of the Institution. I am happy to say that 79 students of the B.Ed. Class (Post Graduate Training), and 64 students of the H.T.C. Class (Undergraduate Training) of this College have sent up their applications for the respective Examinations of March 1955 Session.

TheCollege, as you know, is housed for the present, in the Rashtreeya Vidyalaya Building and we are experiencing great difficulty in arranging for the High, Middle, Primary, Nursery as well as the College Classes to work within the very limited accommodation available for us. Needless to say that such an important Educational Institution as a Teachers' College, must have a campus of its own.

Contd, page 2.

The Management has an ambitious scheme of 9 lakhs of Rupees worth Building Project for the College, consisting of:-

(1)	College Building, with ample provision for Research Section, Psychology Laboratory, a grand Text-Book Library, a Union Hall, Practising Schools etc..	4 Lakhs.
(2)	Professors' Quarters.	2 "
(3)	College Hostel.	2 "
(4)	Equipment.	1 "
	Total:	Rs. 9 Lakhs

A few philanthropic gentlemen, like Sri. Dharma Prakasha Sri. K.C. Ramaiah, have already come forward with promises of very generous donations to meet this urgent demand of the College.

In response to our appeal for the sanction of a suitable site for the College, I am happy to say the Local Self Government Minister Sri. T.Channaiya,B.Sc., and the then Chairman of the City Improvement Trust Board, Sri. R. Madhavan,B.E., were good enough to visit Jayanagar,Extention, last September, accompanied by several members of the Rashtreeya Vidyalaya Teachers' College Committee with a view to selecting an ideal place for the site of the College Building and they both suggested a 6 acre land beside the Banashankari Temple, as the best site for our purpose. But I regret to bring to your kind notice that the City Improvement Trust Board are not favourably disposed to grant us the land sought,for according to them, since the Board would incur a loss of nearly a lakh and half rupees by such a grant. I enclose a copy of the letter from the Chairman in this behalf. This is, indeed, a very unexpected and a sad development. There are many instances, as you are aware, of the Board's sanctioning sites, as free gifts, to the Educational Institutions, who do the work of the Government, such as Vijaya College and the Mysore Riyasat Hindi Prachar Samithi, in Jayanagar Extension. These sites also, being very good and spacious sites, cost lakhs of Rupees. It is possible to quote many similar examples. You are perhaps well aware of our efforts to obtain a generous grant towards the cost of our project from the Central

Contd, page 3.

-Government, and with several philanthropic gentlemen, several of whom have already promised generous donations - Dharma Prakasha Sri. K.C. Ramaiah, and others, for instance.

You will appreciate the fact, I am sure, that the work of this Educational Institution is entirely the-work of the Government and even if we had not the Government would have had to shoulder this responsibility, and that these appeals for sanction of grants, sites etc. are not made as you are well aware, with any personal ends in view, but only for the progress of an Educational Institution, which promises to develop itself into an Institution of all India fame, with its team of Research Workers. Bangalore, the most important, and fast growing, City in the South, must make up its mind to have a Teachers' College as an item in the City's progressive achievements.

In your interview once, with the members of the Rashtreeya Vidyalaya Teachers' College, when they met you in deputation on 29th November, 1954, you were gracious enough to say that there was no objection in the Government sanctioning a suitable site for the construction of the Teachers' College Building, and also ~~that~~ you were good enough to point out rightly that the Rashtreeya Sikshana Samithi was doing the work which the Government should have done. This shows your generosity towards the activities of this Institution and your understanding of the needs of the Teachers' College in Bangalore.

Under the circumstances, May I request you, on behalf of the Management, kindly to take a sympathetic view in the affairs of the Teachers' College and to get for us, from the City Improvement Trust Board, the sanction of a spacious site, which suits our Scheme detailed above, preferably nearer Rashtreeya Vidyalaya than the one previosly suggested - near Banashankari Temple, free of cost. It would be a very great encouragement for the prospective donors and the members of the Managing Committee, if you should

Contd, page 4.

yourself visit Jayanagar Extension and suggest a suitable site for our College, at an early date.

A timely help at this crucial juncture, would be most encouraging for us to go ahead with the ambitious project, with confidence.

Thanking you,

Yours faithfully,

Sd. M.C. Sivananda Sarma.

2) The Board interviewed Sri K.C. Ramiah the President of the Samithi and Sri M.C. Sivananda Sarma, the Secretary on 12-1-55. Sri Sarma on behalf of the Samithi explained to the members of the Board about the immediate necessity of a site nearer to the City for constructing a Teachers' College by the Rashtreeya Sikshana Samithi and suggested that the lands now granted to Rashtreeya Vidyalaya on lease for the purpose of a play-ground be utilised for the purpose.

3) The subject was discussed at the Board Meeting held on 12th January 1955 and it was resolved:-

"that the site referred to in resolution No.3 dated 25th July 1952 and approved by Government in their Order No.L.2602-4/I.T.B.5-54-24 dated 10-6-54 for being leased as a play-ground be now granted to the Rashtreeya Sikshana Samithi on a long lease of 99 years on a rental of Rs.10/- (Rupees ten only) per annum for the purpose of constructing a Teachers' College, subject to the following conditions:-

1. A "L" shaped structure facing Kankanpalya Road to the North and Rashtreeya Vidyalaya Road to the West be constructed as per design to be furnished by the Government Architect and approved by the Board.

2. The said building should be used exclusively for the use of the Training College.

3. The property should not be alienated or otherwise disposed of in parts.

4. The building should be constructed within a period of two years from the date of handing over possession of the site to the Samithi.

5. The other space not covered by the building should be used as a play-ground by the Samithi.

7. That in the event of violation of any of the conditions aforesaid, the Board shall resume the site with the structures thereon, if any, without payment of any compensation".

4) I therefore request you kindly to obtain ~~the~~ sanction of Government to the resolution of the Board and communicate the same early.

The letter received from the President, Rashtreeya Sikshana Samithi is herewith enclosed as desired. An extract of Resolution No.3 dated 25th July 1952 along with a copy of Government Order dated 10-6-54 ~~are~~ is herewith enclosed for reference.

RESOLUTIONS passed by the Rashtreeya Sikshana Samithi at a meeting held on 16th February, 1955, at 7.00 P.M. at the Rashtreeya Vidyalaya premises:-

RESOLUTION NO.1.

The Rashtreeya Sikshana Samithi requests the Government kindly to grant the corner site measuring about 400' x 150' on the Jayanagar Extension Road, which, we learn, has been approved by the City Improvement Trust Board for the purpose of putting up the Rashtreeya Vidyalaya Teachers' College Building. The Committee undertakes to start the construction of the Building within a month after handing over of the site by the City Improvement Trust Board to us, and complete the construction of at least the Ground Floor within six months from that date.

RESOLUTION NO.2

Since the site now available for the construction of the Rashtreeya Vidyalaya Teachers' College Building is inadequate for the purpose of a growing and essential Institution like the Teachers' College, the Samithi requests the Government to acquire the adjoining open space to the south upto the proposed road measuring about 75' x 400' and grant the same to the Rashtreeya Vidyalaya Teachers' College, if possible free of cost. The Committee however is prepared to pay the cost of acquisition, if it is found necessary.

2. Letters ending with the one No.R.S./RVTC/986/54-55 dated 16-2-1955, from the Secretary, Rashtreeya Sikshana Samithi, for grant of land, for construction of Rashtreeya Vidyalaya Teachers' College, in Jayanagar.

3. Letter No.A1.P.R.596/54-55 dated 20-1-55, from the Chairman, City Improvement Trust Board, Bangalore, on the subject.

ORDER NO.L 14089-94

DATED, BANGALORE, THE 23rd FEBRUARY 1955.

The ~~Rashtreeya Sikshaxxx~~ Vidyalaya Teachers' College, Bangalore, is at present accommodated in Rashtreeya Vidyalaya Building. Besides this College, the Nursery School, a Primary School, a Middle School, and a High School, are also housed in that Building. The accommodation is cramped, and a need for a separate building for the Teachers' College is keenly felt. The Samithi has drawn up an ambitious scheme of Rs. 9 lakhs ~~worth Building Project~~ for the College, ~~consisting of~~ College Building, with provision for research section, Psychological Laboratory, Library, Professors Quarters, College Hostel, etc. It is gratifying to note that a few philanthropic gentlemen, like Dharmaprakasha Sri.K.C.Ramiah and a few others have come forward with promises of liberal donations to meet the demand of the College. The Samithi has been urging for some-time past for a spacious site for the Teachers' College in the vicinity of the Rashtreeya Vidyalaya. The Samithi has finally selected a plot of land on the right side of road near Kanakanpalya

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

at the junction of the Rashtreeya Vidyalaya Main Road and the road leading to the Rajaji Circle, Jayanagar Extension, which has been granted to them for a play-ground on a lease basis for a period of 10 years as per G.O.read above. This site is nearly quadrilateral in shape measuring(92 plus 220) x 420 Sq.feet. The City Improvement Trust Board, Bangalore, has recommended to the grant of this site to the Samithi on a long lease of 99 years on a rental of Rs. 10/- only (Rupees ten only) per annum, for the purposes of con - structing a Teachers' College, subject to the following conditions:-

1. A "L" shaped structure facing Kankanapalya Road to the north and Rashtreeya Vidyalaya Road to the West be constructed as per design to be furnished by the Government Architect and approved by the Board.

2. The said building should be used exclusively for the use of the Training College.

3. The property should not be alienated or otherwise di -posed of in parts.

4. The building should be constructed within a period of two years from the date of handing over possession of the site to the Samithi.

5. The other space not covered by the building should be used as a play-ground by the Samithi.

6. That the Chairman of theCity Improvement Trust Board or a nominee of Government in the event of the abolition of the City Improvement Trust Board shall be an Ex-Officio Member of the Executive Committee of the Samithi.

7. That in the event of violation of any of the conditions aforesaid, the Board shall resume the site with the structures thereon, if any, without payment of any compensation.

The Samithi has undertaken to start the full charge of the construction of the College Building within a month after handing over the site by the City Improvement Board to the Samithi and to complete the construction atleast the ground floor within six months from that date.

In modification of the order dt 2/0-6-54 The resolution of the Trust Board to grant the site to the Samithi for the construction of a Teachers' College on lease basis is approved subject to the conditions specified in their resolution as also to the further condition that

that if the terms of the lease are complied with, the sit after expiry of the period of lease, viz., 99 years, shall vest absolutely in the Samithi.

The Samithi has represented that the site proposed to be granted to them is inadequate for the Teachers' College and has requested that the adjoining land to the south up to the proposed road my also be granted to the Samithi. The request of the Samithi is reasonable. This is an unconverted agricultural land owned by Dr.B.G.Achurya. It ~~was ascertained at the time of inspection~~ is understood that Dr.Acharya intends laying it out into house-building sites and that his layout scheme is under the consideration of the Trust Board. While approving the scheme, the Trust Board may see that no sites are allowed to be formed on the open space to the south of the site up to the proposed road. The Trust Board may also take action to institute acquisition proceedings in respect of the said land.

Dear Sri. Channaiah,

Subject: Your visit to the site of Rashtreeya Vidyalaya Teachers' College, at Jayanagar Extension.

You were good enough to inform me, when I met you in person some time ago, that you would pay a visit to the spot and sanction the site to our Teachers' College. I regret to say that nothing has happened so far. I am obliged to presume that this matter might have slipped from your memory, in your multifarious work of the Government. In this connection, I may also tell you that the work of this College is after all the work that the Government should have done. I request you kindly to bear this point in mind and to make it convenient to visit the site at a very early date, as we have to make arrangements for laying the FOUNDATION STONE, immediately. Please let me know the date of your visit. This matter of putting up the building is very urgent and therefore I request that you may kindly spare some time in the near future.
